UNAUTHORIZED INSURANCE

 $\mathbf{B}\mathbf{y}$

JOHN J. HOLMES

State Auditor and Commissioner of Insurance

REASONS WHY INSURANCE BY COMPANIES LICENSED IN MONTANA IS PREFERABLE TO INSURANCE OF COMPANIES NOT LICENSED IN THE STATE,

Non-admitted companies do not pay any fees and taxes into the State of Montana for doing business therein.

The Insurance Department of this State has no supervision over their operations.

The policies of the company are not reviewed in any way by the Insurance Department of the State of Montana.

Not being permitted to have agents in Montana, they have no facilities for the prompt adjustment of their claims, such adjustments are made through the mails.

This Department has no jurisdiction and could be of no assistance whatsoever to the insured in case a dispute arises over the settlement of a claim.

State courts cannot obtain jurisdiction over non-admitted companies as Service of Process cannot be made on these companies in the State of Montana.

Federal courts will not assume jurisdiction on a cause of action arising on the greater number of claims as the normal claim generally does not fall within the jurisdictional limits of the Federal court.

An insurance company duly licensed has duly licensed agents within the State.

REMEMBER—when buying insurance you get just what you pay for. Cheap policies are limited in scope and contract. Example: You do not get a \$1000.00 automobile for \$100.00. This holds good in all things.

CODE OF ETHICS

NATIONAL ASSOCIATION OF INSURANCE AGENTS

To promote the ethical conduct of the business, of Insurance JOHN J. HOLMES, State Auditor and Commissioner of Insurance, has sought to bring the Code of Ethics of the National Association of Insurance Agents to the attention of all concerned with the business of Insurance.

The Code is as follows:

I believe in the insurance business and its future, and that the American agent is the instrumentality through which it reaches its highest point and attains its widest distribution.

I will do my part to uphold and upbuild the American Agency System which has developed insurance to its present fundamental place in the economic fabric of our nation, and to my fellow-members of the NATIONAL ASSOCIATION OF INSURANCE AGENTS, I pledge myself always to support right principles and oppose bad practices in the business.

I believe that these three have their distinct rights in our business: first, the Public; second, the Insurance Companies; and third, the Insurance Agents; and that the rights of the Public are paramount.

TO THE PUBLIC

I regard the insurance business as an honorable profession and realize that it affords me a distinct opportunity to serve society.

I will strive to render the full measure of service that should be expected from an intelligent, well-informed insurance man. Anything short of this would be a violation of the trust imposed in me.

I will thoroughly analyze the insurance needs of my clients and recommend the forms of indemnity best suited to these needs, faithfully advising as to the best insurance protection available.

I will do my part to help bring the public to a better understanding of insurance, always so conducting my business that the fullest light of publicity can be turned upon it.

I will consider it a duty to cooperate with the national, state and local authorities in the prevention of fire, waste and accidents.

I will take an active part in recognized civic, charitable and philanthropic movements which contribute to the public good of my community.

TO THE COMPANIES

I will respect the authority vested in me to act in their behalf in serving the public, striving at all times to live up to the agreements made with my companies.

I will use care in the selection of risks, and do my utmost to merit the confidence of my companies by rendering them the fullest information attainable to enable them to underwrite their insurance intelligently; nor will I withhold any facts, that may come to my knowledge, detrimental to their interests.

I will expect my companies to give me the same fair treatment that I give to them, and will favor those companies that subscribe to the principles of the National Association of Insurance Agents and in the conduct of their business carry out these principles.

TO FELLOW MEMBERS

I pledge myself to maintain friendly relations with other agencies in my community. I will compete with them on an honorable and fair basis, make no false statements, nor any misrepresentation by omission of facts, inference or subterfuge.

I will consider unethical, the obtaining of business by commercial bribery, coercion or unfair influence.

I will adhere to a strict observance of all insurance laws relative to the conduct of my business and will studiously avoid any practices which might cause the business adverse notoriety or disrepute.

I will cooperate in every reasonable way with my competitors for the betterment of the insurance business and its advancement to a still higher level of service.

* * * * *

Realizing that only by unselfish service can the insurance business have the public confidence it merits, I will at all times seek to elevate the standards of the insurance profession by governing all my business and community relations in accordance with the provisions of this Code and by inspiring others to do likewise.

NOTE

*The differential between "net premiums received" and "net losses incurred" does not indicate net profit. The net premium indicates only the premium retained by the primary carrier and reported as such for taxable purposes. Reported losses do not include acquisition costs, agents' commissions, taxes, underwriting and adjustment costs and other business expenses, which must be considered in determining a profit or loss balance.
